

Probably the greatest single School Library event, in the whole history of Sweden...

"The future of school libraries in a national and international perspective"

Monday the 9th of August 2010, 09.00-17.00

Burgårdens Conference Center, Gothenburg

Take the opportunity to experience some of the major national and international events, during a whole day, right in the city centre of Gothenburg: [Burgårdens gymnasium, Göteborg](#)

Some of the speakers entering the stage on the 9th of August are:

Dr. Ross Todd, USA

Dr. Lesley Farmer, USA

Luisa Marquardt, Italy

Helen Boelens, Holland

Anette Holmqvist, Sweden

Helle Barrett, Sweden

For more information about the programme:

For full information see [the official poster](#)

OBS! The complete programme will be presented during spring!

The pre-conference is part of the official IFLA satellite programme for pre-conferences, and also promoted by [IFLA](#).
